

Capital Stewardship Campaign 2007

Elba United Methodist Church

503 West Davis Street
Elba, Alabama 36323
334-897-2219

Dear Friends,

These have certainly been exciting and challenging days for our congregation as we have focused on our vision of growing our church through the *Our Time Now Campaign*. The Capital Stewardship campaign has created many opportunities for involvement and participation. To date forty-seven (47) households have pledged \$420,250 toward our vision. If you have not yet made your commitment, it is not too late! Return your commitment card to the church office or contact one of us for more information.

Sunday, December 2nd has been set as our First Fruits Sunday for the capital portion of our campaign. This will give each of us an opportunity to begin our giving with a generous gift and establish momentum to give the over and above commitments over the next three years. We ask you to bring your first gift to the campaign on this day as we continue to celebrate *Our Time Now*.

Enclosed you will find an envelope to return your First Fruits Offering.

The Follow-up Team looks forward to serving our Lord and you over the next three years. Hope to see you on Sunday, December 2nd.

Sincerely,

Eddie Kelley, Campaign Director
Daniel Stephens, Campaign Director
Jenny Allen, Follow-Up Director
Carolyn Vaughn, Follow-Up Director
