

PERSONAL PRAYER VIGIL

The Elba United Methodist Church is presently involved in a Capital Stewardship Campaign designed to underwrite an addition to our Sanctuary building. You were sent a Prayer Calendar earlier with suggestions for daily prayer regarding our church and church family. We may not have the time, skills, nor desire to be directly involved in the planning of this campaign, nor in the carrying out of the plans, but each of us can PRAY!

We can PRAY for those involved in the planning, for those carrying out the plans, for the congregation's response to the campaign, and for our own attitude and effort regarding it.

We are asking you to take part in an unusual type of PRAYER VIGIL. On Friday, November 16, the PRAYER EMPHASIS COMMITTEE asks you to join us in momentarily turning our minds and hearts in PRAYER to God, asking for His direction in our Campaign. We are borrowing from an old Dr. Pepper commercial in asking that we all stop (at least mentally) at 10, 2, & 4 on Friday, November 16, and lift up a PRAYER for our Campaign. We need, and we ask for, God's guidance in this endeavor.

Psalm 127: 1 -- "Except the Lord build the house,
they labor in vain that build it."

PLEASE JOIN OUR CHURCH FAMILY IN PRAYING

*In Christ,
Lois and Sara*
